

WILDING ENGINEERING

14721 SOUTH HERITAGE CREST DRIVE
BLUFFDALE, UTAH 84065

Wilding Engineering, Inc. is a full service Civil/Geotechnical Engineering and Surveying firm, serving the Land Development, Utility and Construction industries. We have tailored our company departments to accommodate the specific needs of our Clients. With expertise in Civil, Geotechnical, Environmental and Structural Engineering, as well as, Surveying and Construction Materials Testing and Civil Inspections, we can provide all of these services in house to efficiently advance projects from concept to final and through construction. We are committed to providing sound, practical and economical engineering solutions to each project.

Wilding Engineering is expanding and looking for self motivated individuals who would like to be a part of our growing engineering firm. The following positions are available:

Geotechnical/Materials Laboratory Technician – Part Time/Full Time

Laboratory duties include conducting materials and geotechnical lab analysis. Knowledge of lab procedures is beneficial. Students who have completed the Geo I lab are well suited for this position. Training and flexible schedule are available.

Civil Inspector – Full Time

Field work includes civil inspections on utility construction sites. Prior experience and ACI certification are necessary. There are many opportunities to travel and work in Utah and neighboring states. Personal work truck assigned when working in the field.

Geotechnical Engineer Technician/Intern – Full Time

Field work includes overseeing geotechnical drilling operations. Must have a general knowledge of soils characterization. Students who have completed the Geo I and corresponding lab are well suited for this position. Drilling experience is beneficial. Training is available. There are many opportunities to travel and work in Utah and neighboring states. Personal work truck assigned when working in the field.

If you're interested in any of these positions, call Ashley Dasher as soon as possible at **(801)553-8112**.
