CIVIL & ENVIRONMENTAL ENGINEERING
Graduating Student Assessment Form

Please complete this form prior to your exit interview. Your candid, thoughtful comments are valued and needed.

I. General Overview
1. Were you satisfied with the course work in the department? _______ If not, why? __________________

2. Were you satisfied with the laboratories in the department? _______ If not, suggestions for improvement:

3. Please comment on the advising that you received at the various stages of your academic career.
   a) Entering Freshman ________________________________

   b) Transfer Student ________________________________

   c) Career Guidance ________________________________

4. List one or two of your best experiences in the department: ________________________________

5. Did you have any bad experiences that you would like to comment about? _______________________

6. What single suggestion can you make for the improvement of the CVEEN department?
7. Are there any other items not covered above that you wish to address?

8. Did you participate in leadership opportunities at the University of Utah? If yes, please name and describe what you did with the organization (this includes but is not limited to Student Groups, SAC, CVEEN 4910 Group Leader):

II. Instructor Evaluation

From a broad personal standpoint, which CVEEN professor(s):

- Provided an acceptable or better level of advising
- Made you feel that your success was important
- Provided a vision of the profession
Please provide your opinion of the instructors in the CVEEN department compared to all other University instructors that you have encountered.

Key: 0 = Poor, 1 = Below Average, 2 = Average, 3 = Above average, 4 = Well above average
