With the support of several campus partners, the Marriott Library is now allowing students in need to borrow laptops for the remainder of Spring semester.

**STUDENTS ON CAMPUS:** University of Utah students who need a laptop and are on campus can request one at the Union Service Desk by presenting their UCard.

**STUDENTS WHO HAVE LEFT CAMPUS:** University of Utah students who need a laptop sent to them, should email uofuunionservicesdesk@gmail.com with their name, UNID, and mailing address. A laptop will be mailed out within two business days.

Many thanks to supporters!
