^LEAP 1501– Fulfills a Social and Behavioral Science requirement. LEAP 1500-Fulfills a Humanities & Diversity requirements. All transfer students must take these courses unless they have 2 or more Humanities and Social & Behavioral Science Courses.

* Must take 1 of the 2 courses
MSE 2170 Mat'l Science OR
CH EN 2300: Thermodynamics

Students who do not complete the Engineering Math Sequence will be required to take this course.

For a list of Technical Elective requirements, see the handbook.

■ Additional Science Requirement, see the handbook.

@ Students must take CHEM 1210, CHEM 1215, and PHYS 2210 (after MATH 1310). Students must take one additional lab course and it is recommended to take PHYS 2215 but they can take CHEM 1225 or CHEM 2315. Additionally, students must take CHEM 1220, or CHEM 2310, or PHYS 2220. Students should check with their faculty advisors to see which of these options is best for their program.

All Student must take 2 Fine Arts, 2 Humanities, and 2 Social & Behavioral Science courses to fulfill the Intellectual Exploration requirements. Associates degrees do not fulfill the department's requirements automatically.
