Transportation Camp 2021

Session 1: June 28 - July 1
Session 2: July 12 - July 15
9:00am - 1:00pm

Lunch & Transportation Provided Non-Residential. FREE!

Explore engineering during this week-long event dedicated to introducing 2021 - 2022 8th - 9th grade school students to the transportation industry.

Participants will meet industry professionals, faculty and students associated with the University of Utah. Students will learn about the transportation industry by participating in field trips, lab activities, demonstrations & speakers.
