

Wasatch Health Fund

Each University of Utah student has the ability to receive up to \$500.00 from the Wasatch Health Fund. This Fund is intended to support students who are navigating physical or mental health concerns. Students will be notified of the committees decision via their Umail. Examples of appropriate uses for and expenses covered under Wasatch Health Fund include:

- Paying down deductibles
- Paying off past bills related to physical or mental health
- Off-setting cost to any established care unit
- Co-payments to access treatment facilities
- Fees for assessment related to physical or mental health to include assessments required for CDA accommodations

Please submit all documentation with WHF form:

- Completed WHF form
- Supporting documentation such as bills, invoices, or receipts
